

ESG & SDG 2030: AWARENESS THROUGH ACTION

Why do I need this program?

- ✓ To develop a clear and practical understanding of ESG and sustainability, while exploring how the Sustainable Development Goals (SDGs) can be applied to drive real impact within your organization and beyond.

How is the class conducted?

- ✓ This program combines interactive classroom learning with hands-on sessions

Who should attend the program?

- ✓ Management-level employees seeking insights into sustainability and ESG Trends
- ✓ Officers, engineers and non-management staff implementing sustainability strategies in their organization

Program Highlights

- ✓ ESG Awareness: Sustainability, GHG Emissions & Opportunities
- ✓ SDG 2030 Board Game: Learn through play, collaboration & real-world simulation
- ✓ Tools to develop personal and organizational sustainability strategies
